3. I would venture to point out that it is hardly necessary to say in this connection that the standard pay for the head of a Dept^t is Rs 1400. Also H. H's command runs that "the pay of the Chief Commandant may be taken as Rs 1400 for the purpose of calculating acting & charge allowance". This is somewhat different from saying that the pay of the appointment "should be fixed at Rs 1400". I would therefore modify the draft as indicated in pencil. JOZ 4/12

Such a declaration is not called for and may be embarrassing to Govt in future.
